

Situ Gunung Jungle Tour
One Day Tour
Duration : 07.00 – 19.00

Situ Gunung / Sukabumi

With only 3 hours from Jakarta, Situ Gunung, located in Cisaat District, Sukabumi, West Java, is an attractive choice for enjoying nature. As a tourist destination that offers unforgettable experiences, the name Situ Gunung has now become national because of its stunning allure.

Walking around the Lake Situ Gunung is a relaxing and refreshing experience connected to nature.

Situ Gunung Suspension Bridge

Situ Gunung Suspension Bridge is a 250-meter-long suspension bridge located in Sukabumi, West Java. The Situ Gunung Suspension Bridge has become a new tourist favorite that attracts adventurers and nature lovers and is the longest suspension bridge in Southeast Asia.

Curug Sawyer (Waterfall)

Curug Sawyer / Sawyer waterfall is a twin waterfall which has a height of around 25 meters, the water is very fast and charming, offering exotic views with beautiful large rocks along the river.

The Sultan's Basket

Sultan's Basket was trending last April after making actor Will Smith curious. Smith, who saw the upload of a netizen in Indonesia while riding the sultan's basket, asked about the location of the ride in his upload on X. Will Smith's upload went viral and made the Sultan's Basket even more popular.
